## Look for the Call Ahead Rate

**RESERVE NOW!** **Call Ahead Rate \$89.99**

When the hotel has the above ribbon in their coupon you can call ahead to reserve your room at the listed rate.

## Why hotels offer these substantial savings

The special rates in this guide are **"BASED ON AVAILABILITY."** This means that coupons will generally be accepted unless the hotel believes that it can sell its remaining rooms at the regular published rate. Like many other items, the price of a hotel room changes according to supply and demand. When business is slow, a hotel may offer a limited number of rooms at a low rate to attract additional guests. **During busier times (special events or peak periods), that same hotel may charge full price and not accept coupons or other discounts. Similarly, coupons will not be accepted if you have guaranteed advance reservations made at a higher rate.** It is easy to find out if a hotel has discounted rooms available. Just call ahead and ask the hotel operator if the special coupon rate is available tonight and that you would like to use a HotelCoupons.com coupon. They will be happy to let you know if the coupon rate is available.

# Free Things to Do in Savannah

Written by Chris Wojcek

**RIVER STREET:**

**CATHEDRAL  
OF ST. JOHN  
THE BAPTIST:**

As its name suggests, this street runs alongside the Savannah River. Although this district is primarily tourist gift shops, it's set in a historic area with cobblestone roads, riverside views, art sculptures, and monuments.

The Cathedral of St. John the Baptist is a perfect example of French Gothic architecture. This beautiful cathedral not only honors St. John the Baptist, but also features moving depictions of the events leading up to Jesus' crucifixion.

### Tybee Island, Georgia

With its beautiful white-sand beaches & charming clapboard houses, it might be easy to forget that quiet beach town Tybee Island is located only half an hour from bustling Savannah. By land you can visit the two historic military
